

National Cooperative Purchasing Alliance

Let Our Contracts Do The Work

NCPA (National Cooperative Purchasing Alliance) is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states.

NCPA works with a lead public agency, who competitively solicits master contracts. Contracts are awarded based on quality, performance, and most importantly pricing.

NCPA contracts are available for use to over 90,000 agencies nationwide in both the public and nonprofit sectors including: K-12, Higher Education, City, County, State, Healthcare, Church/Religious and all Non-profit organizations.

The NCPA competitive bid process includes:

- The Lead Agency issues a competitive solicitation for a product or service on behalf of NCPA and all public agencies.
- The solicitation is advertised nationally for a minimum of 30 days.
- The solicitation contains language that allows the contract to be accessible nationally to public agencies in states whose laws allow for intergovernmental contract use (also known as "piggybacking" or "adopting").
- Vendors respond to the solicitation with sealed responses that are recorded and publicly opened.
- The Lead Agency evaluates the responses based on "Identified Evaluation Criteria" and awards contracts.
