design principles

**\$900+ million**

in school construction projects

Long-term client

## relationships

## 41 Years of Education Partnerships.

Founded in 1979 by Raymond J. Green, the goal of **GreenAssociates** is to provide superior architectural service to clients and in doing so, build lasting relationships. In 2001 ownership transitioned to the 2nd generation of principals who continue the tradition of superior service.

**Pre-Design**  
**Construction Services**  
**Planning**  
**Graphic Design**  
**Interior Design**  
**Site Improvements**  
**Studies/Reports/Surveys**  
**Facility Improvement Programs**

**GreenAssociates**  
**has completed**  
**over 2,500 projects**

for public schools, parks, municipalities,  
counties and state agencies.

We are adept at working with constituents, patrons, volunteer groups, and community organizations to communicate our client's facility needs and plans for solutions.

Working as part of our client's team, we help create

**better facilities for  
better communities.**
